

Health, Safety & Environment (HSE) Policy

Goltens Co. Ltd. recognizes & accepts the moral responsibilities of promoting and protecting the Health, Safety and Well Being of everyone involved in our activities and is committed to conducting our activities in such a way as to safeguard the natural environment and endeavour to minimize the impact of our activities on the environment.

Goltens Co. Ltd. will, in all of our operations, promote the highest standards in Health, Safety and Environmental preservation and protection by establishing, implementing and maintaining a comprehensive Management system that will include but will not be restricted to

- Setting of clear objectives and responsibilities for Health, Safety & Environment performance across all levels of the Company
- Monitor our performance with reviews and audits to ensure that our controls are effective and objectives are being achieved
- Fostering positive health & safety culture throughout the organization
- Ensuring that appropriate training, supervision, information and resources are provided to all employees and contractors to enable our objectives to be achieved
- Establishing methods for identifying and assessing hazards and reducing risks to levels as low as are practicable
- Communicating with all employees and other interested parties on matters that may effect their Health, Safety or Environment
- Conserving natural resources through energy conservation and minimization of waste generation and emissions
- Complying with applicable legal requirements

Goltens Co. Ltd. furthermore is committed to a program of continual improvement in our performance towards the Health, Safety & Environmental objectives and therefore this Policy will be reviewed periodically to ensure that it remains relevant and appropriate to the nature and scale of Health, Safety and Environment risks and impacts resulting from our various operations.

All employees are expected to ensure that by their actions or omissions they do not contravene the letter or spirit of this policy.
